

a program of the Colorado Veterinary Medical Foundation

Colorado's Animal Heroes is the Colorado Veterinary Medical Foundation's annual awards program that brings the community together to celebrate the human-animal bond and provide recognition for outstanding animals and humans. This year's event will begin its program at 7PM followed by a celebratory reception from 8 to 9PM. Past years' award recipients include dogs that have saved the lives of their owners; pets who, through the power of the human-animal bond, have healed and provided hope; and people who have profoundly dedicated their lives to making Colorado a better place for animals and people.

Date	Time	Location
Thursday, October 7, 2010	7PM Awards Program 8PM Celebratory Reception	Turnhalle on the Auraria Campus 900 Auraria Parkway Denver, Colorado 80204
